Pit Bull

Neutered Male

6 Years Old

Scrappy is a super sweet boy looking for a loving home! He's a shy guy who likes to take things slow, but is full of love once he breaks out of his shell! He's done really well in doggy playgroups with small dogs (they're more his speed than dogs his own size) and is the perfect example of a gentle giant. Come make this adorable, mellow fella your new best friend!
