Larry (#A1642310) and Curly (#A1642309) are brothers that are still looking for their forever home... **TOGETHER!** They are a bit shy at first but once these boys warm up to you they are the best cuddlers on the planet!! They have quickly become staff favorites here at the shelter. They love to play together, sleep together and groom each other. They are friendly with other kitties and have done well with dogs in their foster home. They are huge purring machines and they are also a bonded pair, so you can adopt both of them for one adoption fee! If you would like to adopt Larry and Curly together, please call us at (714) 935-6848 to make an appointment!
