HOW TO ASSIST FROM HOME

OC Animal Care takes in lost pets everyday. A list of these animals with their photo, description and the day they were brought in can be found at:

Several websites have been crucial in helping lost pets find their way home. Check out these local pages below and let people know if you see a pet that matches the description of their lost animal at our facility.

- ◊ **Nextdoor.com**
- ◊ **Craigslist**
- ◊ **Facebook.com**
(local pet pages & groups)
- ◊ **Pawboost.com**
- ◊ **FidoFinder.com**
- ◊ **LostMyDoggie.com**

By helping us with this, we can potentially avoid the need for that pet to be impounded at our facility. This will help us focus on urgent cases and facilitate animals being reunified with their owners faster.

WHAT IF...

I LOST MY PET

Please keep checking out lost pets page and utilize online resources such as Facebook or Nextdoor to get the word out that you lost your pet. If you locate your lost pet please notify us.

For everyone's safety we are moving to an appointment-based system for members of the public who need to redeem their lost pet. Please call (714) 935-6848 to make an appointment.

I FOUND A STRAY DOG

OCAC is still responding to calls related to public safety. Please call OCAC to report a found pet. If it's possible to do so safely, community members should take steps to locate owners of lost pets before calling or bringing them to OCAC. The prompt return of lost pets will help maintain space at our facility for incoming pets. If you are unable to find an owner, please call (714) 935-6848 for assistance.

At this time, we are currently not accepting healthy stray cats. If you have a trapped cat you must return it where you found it. We are only accepting injured animals, kittens, and stray dogs.
