<sup>\*</sup>Live release rate was calculated by dividing the Live Outcomes by the Total Asilomar Outcomes. Note that owner surrender for euthanasia (owner intended euthanasia) and died/lost in care were removed from totals per the Asilomar accords formula.

<sup>\*\*\*\*</sup>Proof of animal suffering impacting life quality or aggressive behaviors presenting a risk to public safety are required by owners requesting this service.

<sup>\*\*</sup>Save rate includes animals surrendered for euthanasia as well as animals which were lost or died in care.
