

Pet of the Week: **Brixton!**

Say hello to our Pet of the Week, Brixton! Brixton is a 6-year-old Boxer mix who came to the shelter back in June of 2021 when his owner, unfortunately, developed some health issues that prevented him from being able to continue to care for Brixton. Upon arrival, Brixton was wary of the new environment and took a while to adjust to being in our care. With a little extra TLC, he began opening up, and we were able to get to know his amazingly, cheerful personality and his always-positive attitude! Brixton loves being around people and would be happiest either going on a walk with his humans or even just lounging on the couch, cuddling, and watching TV! This pup is a true gentleman and sits very nicely on cue, waiting patiently for his treat, and he will even let you have a turn with his toy (if you throw it for him of course!). Brixton has previously lived with children and did wonderfully thanks to his love of any and all people! We think Brixton will do best in a home where he can be the only pet.
