

Pet of the Week: Halo!

Meet Halo, our Pet of the Week! This sweet 6-year-old Pointer Mix was found wandering around Angel Stadium (hence the name Halo!) when a good Samaritan brought her to the shelter. Every staff member and volunteer has fallen in love with Halo's friendly personality and her love of attention! Halo is currently a little overweight, but she loves her walks and has already started working towards getting to her healthy weight goal. When you see Halo and her adorable smile, it's hard not to smile yourself! Halo has gone on our Pack Walks with the Volunteers and has done wonderfully around the other dogs. She is a fairly mellow gal, she takes treats gently, and she is always eager to please! Halo would be happiest going on an easy walk, then curling up with her favorite humans for a nice afternoon snooze in the sun.
