

PET OF THE WEEK

BUBBA

ANIMAL ID#: A1830775

Meet Bubba! This lovable pig has a heart as big as his playful spirit. Bubba came into our care from a suspected animal cruelty case, but he hasn't let his past define him. Despite the challenges he's faced, Bubba is a shining example of new beginnings and sweetness. Known for his gentle nature and playfulness, Bubba will melt your heart and maybe muddy your shoes too! Bubba is seeking a forever home where he can dig and root around for food, roll in mud, and enjoy back scratches.

If you're looking for a charming and affectionate barnyard companion, consider giving Bubba a forever home. Call (714) 935-6848 and mention Animal ID A1830775.
