STELLA

ANIMAL ID#: A1802548

Meet Stella, a 7-year-old Pit Bull. Stella is a true lady - calm, gentle, and always ready for a stroll or a cuddle. She's a shining star at events like Pooches on the Patio, showing off her friendly nature with adults and kids. Stella has been enjoying a little vacation in foster care, savoring daily walks, car rides, playtime with her foster family, and even some training where she's mastered sit, stay, leave it, and come! Although she's loving her foster family, Stella's ready for a forever home where she can share her affection and learn even more tricks!
