

# PET OF THE WEEK

## PATTON

ANIMAL ID#: A1829121

When Patton arrived at our shelter, it didn't take long for his sweet and comical side to shine through. He's a breeze to leash and walk, and he's also a devoted toy enthusiast! 8 out of 10 times, Patton is walking around with a toy, always ready to share and play.

At the mature age of seven, Patton has mastered basic skills and developed an admirable level of patience. His well-suited temperament makes him an exceptional choice for first-time pet families, including those with young children.

If you think this cuddle bug could be the missing piece to your family, call OC Animal Care at (714) 935-6848 and mention Animal ID A1829121.
