MICKEY

ANIMAL ID#: A1907267

The happiest place on earth is wherever Mickey is! Right now, he's currently at OC Animal Care, waiting for you to bring him home. Mickey is a two-year-old Siberian Husky who is friendly, playful, and a social bug with people of all ages, making him an ideal pet for any type of family.

Mickey knows his basic commands, loves receiving head scratches and belly rubs, and enjoys splashing in the pool. He dreams of having his own clubhouse where love, treats, and snuggles are included! If you also have a pool, well hot-diggity-dog, Mickey is sure to live life to the fullest!
