

PET OF THE WEEK

ANIMAL ID#: A1924424

Kim might just be the diva you're looking for! This sassy 7-year-old pittie mix enjoys going with the flow and taking walks for as long as you'll let her. She loves walks so much, when it's time to go back, she'll put on her brakes and pretend she's sightseeing.

Kim is easy to handle, already potty trained, and great with both kids and other dogs. She attended multiple adoption events where she was on her best behavior. Her affectionate and sweet personality makes her an ideal companion for new pet owners or seasoned pet parents looking to add more furry love to their life!

In honor of Adopt a Senior Pet Month, give Kim the loving home she deserves by adopting her today! Call OC Animal Care at (714) 935-6848 and mention her animal ID A1924424 to schedule a visit with her.
