^{*}Live release rate was calculated by dividing the Live Outcomes by the Total Asilomar Outcomes. Note that owner surrender for euthanasia (owner intended euthanasia) and died/lost in care were removed from totals per the Asilomar accords formula.

^{****}Proof of animal suffering impacting life quality or aggressive behaviors presenting a risk to public safety are required by owners requesting this service.

^{**}Save rate includes animals surrendered for euthanasia as well as animals which were lost or died in care.

^{***}Beginning Q2 of 2023, foster count is included in the shelter reports. However, the animals returning or leaving to foster are NOT included in the Live Release Rate or Save Rate calculation.
