

PET OF THE WEEK

MANGO

ANIMAL ID#: A1916871

This 20-month-old Husky found himself at OC Animal Care in May after a Santa Ana resident discovered the playful pup in their yard. Mango knows how to sit and loves treats, which should make it easy to keep polishing his training. He's also getting better on leash, especially when he knows he's headed somewhere he can run, explore, and play.

Mango is a happy, affectionate dog who bonds closely with his person. He would thrive in a home where he can burn off energy and show off his zoomies.

Call OC Animal Care at (714) 935-6848 and mention animal ID A1916871 to foster-to-adopt Mango today. Adoption fees are waived for dogs over 25 pounds!
