

OC Shelters Unite to Promote July 4th Pet Safety

Six Orange County shelters are collaborating to promote Fourth of July pet safety.

As the holiday approaches, the shelters urge pet owners to take extra precautions during fireworks celebrations, parties, and other special events that can startle pets. Here are some tips to keep your pets safe:

- Keep pets indoors during firework displays and turn on a television, radio, or fan.
- Ensure your pet's collar is securely fitted with current license and tag.
- Ensure microchip information is up-to-date.
- Exercise your pet early in the day and keep them busy to alleviate stress.
- Keep summer party foods, drinks, and supplies out of paws reach.

Supporting shelters:

Coastal Animal Services Authority
Irvine Animal Care Center
Laguna Beach Animal Shelter
Mission Viejo Animal Services
Newport Beach Animal Services
Orange County Animal Care

Check with each shelter for location, hours of operation, available pets, adoption fees, and special promotions.
