

PET OF THE WEEK

GIMLI

ANIMAL ID#: A1944625

Gimli is a strong, affectionate, and social 4-year-old Pit Bull looking for his forever family. He is potty trained, knows basic commands, and treat-motivated. His ideal day includes walks, pets, and a comfy place to cuddle in!

Gimli would thrive in an adult-only home as your one-and-only pet, where he can bask in all your undivided love and attention. He may not realize just how big and strong he is, but that doesn't stop him from thinking he's the perfect lap dog! No matter your size, Gimli will happily squeeze onto your lap for some cozy cuddles. Adopt or foster-to-adopt Gimli (A1944625) from OC Animal Care today!
