

"Katy Cares" about Responsible Pet Ownership

One of OC Animal Care's missions is to promote life and to promote adoption, one of the ways we can do this is promoting awareness in our communities, starting with its youngest members! This program is designed for Pre-School to 6th Graders with the purpose of promoting pet adoption and teaching responsible pet ownership.

The "Katy Cares" Program includes a story about adoption and responsibility, a game to reinforce concepts, a corresponding activity packet with a book give away and a meet and greet with one of our furry friends!*

For more information please call 714.796.6426 or email: Kristen.Zemke@occr.ocgov.com

*** All dogs that attend this presentation are certified pediatric therapy dogs**
