OC Animal Care's Books with Woofs reading to the dogs program allows the youth to read to a dog and build confidence in their personal reading skills. Reading to the dogs helps provide the animal comfort, while teaching empathy in children.

- This program is designed for children ages 6-15, with a group minimum of 5 children.
- Call our Public Education Officer at 714.796.6426 to set up a Reading with the Dogs Program for your organization.
